

Overview

Objective is to address the needs and challenges of both Prime Contractors and Subcontractors within the DoD Industry. This working group will address contractual and execution performance issues with an emphasis on integration and flow down that may exist at the Prime and Subcontractor level.

Leadership

Caroline Cremisi
Raytheon

Anna Blachman
Lockheed Martin

- **Output** - Based on the inputs provided by both the industry and government, the working group will prepare a white paper which will address the major issues / concerns around EVMS Flow-Down, Compliance, Integration and Timing.
- Whitepaper / ~~Guide~~ / FAQ / what *will* it be?
 - ~ 50 issues ID'd during IPM Meeting & Workshop
