

Integrated Program Management Division

# Managing a Program without an Earned Value Requirement

**August 26, 2015**

# Background

- For many, if not all, MDAPs there is an EVM clause placed on the contracts.
- However, there are many programs that do not have an EVM requirement placed on the contract.
- The question is “how does one manage these kinds of programs?”

- **Steve Barnoske (LM)**
- **Gerry Becker (Harris)**
- **Teresa Camp (P&W)**
- **Mark Malatesta (Tauri Group)**
- **Dennis Nihiser (SAIC)**
