- **Mandatory three year review cycle for all guides – working groups may update guides more frequently**
- **The Guides Steering Group:**
 - **Launches and supports working groups to update the guides every three years**
 - **Advises IPMD Board of changes in policy or regulation that need to be immediately incorporated into one or more guides**
 - **Accepts out of cycle change requests to determine best course of action (appropriate and warranted, immediate update required or can hold for next regular update)**
