IPMD

Expand leadership opportunities that we offer to all our members, particularly up-and-coming professionals

Working Group leadership, Panel participation and Community Connection are just 3 of multiple entrance paths

NDIA to define required content and establish a standard charter/division format

IPMD Charter held up as a standard. May require minor fine tuning

Mandate regular elections leading to good governance, stewardship of volunteer resources and creation of equitable leadership opportunities

Chair/Vice-Chair term limits; 6 new Board members have been placed in last two years. WG lead roles support equitable opportunity initiative

Develop a new benefit for members only – “NDIA CONNECT” – an online collaborative community

Will become part of R&Rs for Communications/Outreach role

New IPMDR DID Primer

- Will be called Integrated Program Management Data Report – IPMDR
- Will be new number – (TBD)
- Delivery Options
 - Incremental Delivery
 - Basic Standard (NLT 16 Working Days)
- Elimination of Formats (Narratives remain human readable)
- Promotes pre-award discussions to get it “right”
- Stay for the panel for more...
