Dear Fuze Community Members:

The National Defense Industrial Association (NDIA) is pleased to announce its call for nominations for the annual Harry Diamond Fuzing Excellence Award.

The award is designated the Harry Diamond Fuzing Excellence Award in recognition of the greatest overall contribution to the Fuze program during their lifetime. The award will be presented at the 2022 Fuze Conference on May 10-12, at the Hyatt Regency Lake Washington at Seattle's Southport, Renton, WA.

I write to ask that you recommend individuals within the United States who deserve consideration for their outstanding achievements in the Fuze field. Please submit recommendations as soon as possible but no later than February 25, 2022.

The winner of this prestigious award will receive national recognition and a refund of up to \$1,000 to cover the cost of their travel expenses. Criteria for the award are set forth in the attached form. A reasonable amount of supporting evidence may be included; however, the basic nomination should follow the format as attached.

Thank you for helping us to support the strength of the Fuze community.

Sincerely,

A handwritten signature in black ink that reads "James C. Bager". The signature is written in a cursive style with a large, stylized initial "J".

## 2022 HARRY DIAMOND FUZING EXCELLENCE AWARD

Each year, the Harry Diamond Fuzing Excellence Award recognizes an individual who, in the judgment of the selection panel, has made the greatest overall contribution to the Fuze community during their lifetime. The achievements for which this award will be considered may relate to any of the many components that make up this highly diverse, complex, and vital commodity—all the way from R&D to demilitarization and disposal.

All military personnel, government civilians, and contractor employees are eligible for nomination. All service munitions supervisors of headquarters, munitions plants, depots, laboratories, and proving grounds are asked to seriously consider the contributions of their best qualified subordinates for this prestigious award.

### AWARD NOMINEES MUST:

- Be an individual of any grade or position within the United States Fuze Community.
- Receive this recognition for notable achievements made throughout one's career and lifetime.
- Have had a positive, lasting impact on the advancement of Fuzing.
- Be available to receive the award at the 65th Annual Fuze Conference in May 2022.

NOTE: Anyone with knowledge of commendable actions may nominate a candidate. Such actions must be verifiable.
